STRONGER TOGETHER

Advertise on TrucksNL

TrucksNL is the platform where you can sell vehicles, machines and parts. More than 2,000,000 ads are viewed on TrucksNL every month. The hundreds of thousands of website visitors come from more than 180 different countries. You easily receive responses to your ad from interested buyers through e-mail, phone and WhatsApp.

- ✓ More than 2,000,000 advertisements viewed each month
- ✓ Hundreds of thousands of website visitors from over 180 different countries
- ✓ Receive responses through email, phone and WhatsApp

So, do you want to sell your truck, machine or part? Then start advertising on TrucksNL today.

Advantages of a subscription

A subscription to TrucksNL matches your inventory. You subscribe for the number of advertisement slots you need to fit your stock. Is your stock exceeding your subscription limit? No problem, you can always increase your subscription in order to place more advertisements.

An overview of the advantages of advertising on TrucksNL with a subscription:

Advertise on TrucksNL with a subscription

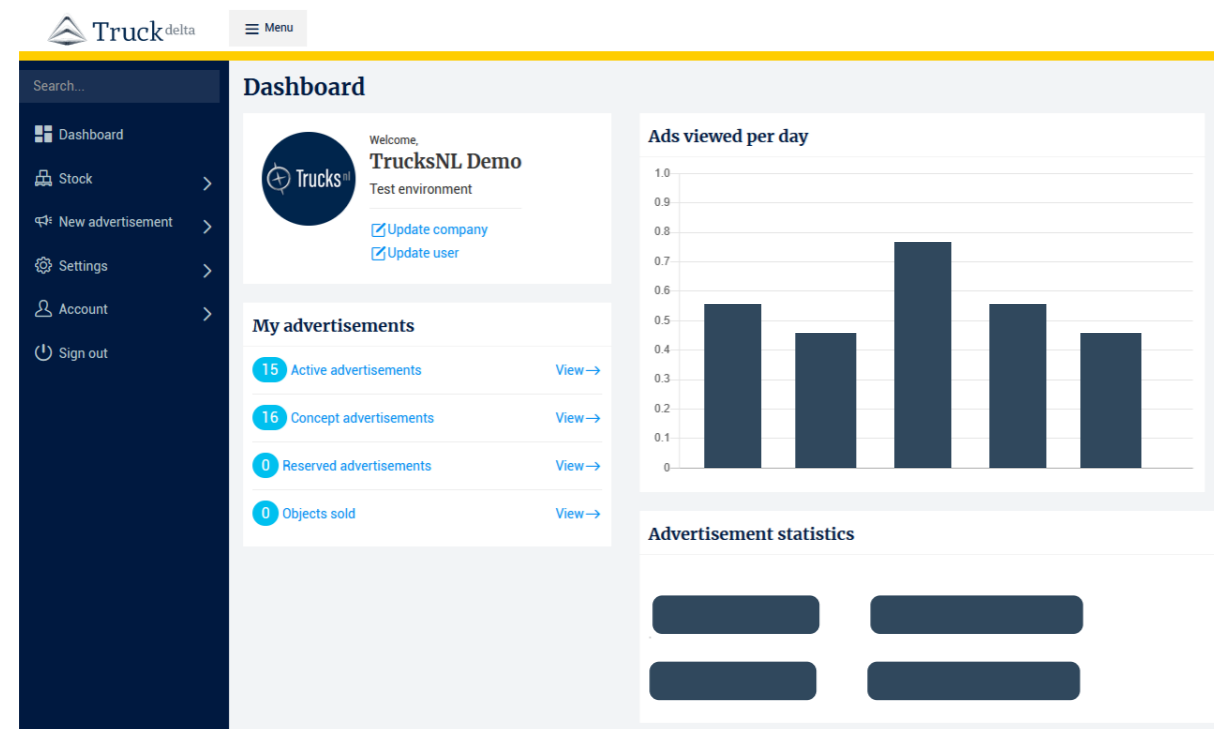

- ✓ From €43 per month
- ✓ No minimum stock required
- ✓ Free company and stock page
- ✓ Can be cancelled monthly

"Always a subscription that matches your stock."

Easily advertise with TruckDelta

When you start advertising on TrucksNL, we will give you a TruckDelta account. TruckDelta is an online sales system where you can manage your stock and prepare it for online advertising on TrucksNL. Among other things, you can fill in all the details of your inventory in TruckDelta and add photos and videos.

You can also choose the additional option of linking your inventory in TruckDelta. This allows you to advertise on 200+ other sales websites in addition to TrucksNL with a single click.

Stock transfer possible

Are you already advertising on another website, but would you also like to advertise on TrucksNL? This is possible! Your stock in your current sales system can easily be transferred automatically to TrucksNL. We will, of course, be happy to assist you in this process.
